There are some pleasantries I didn't bother messing with because I knew you'd do better. I've also attached the incoming. We didn't include something about we are following the SH Bell "SOP" with Watco. Don't know if that was specific to superfund, but really it isn't. Do you remember how Kurt phrased that?

Hi Sara,

Please use this version. The previous email had an older version.

Thanks,
Patrick
